REASONS TO HAVE YOUR DOG LICENSED

- **It's the law.** All dogs three months and older must have a current license.
- **If your dog gets lost, a license is the best way to get him back.** A license helps animal control and shelters identify your dog and get him back home safely.
- **The cost of a license is less than the penalty for being caught without one.** Owners who fail to license their dogs could face a fine of up to \$300 for each unlicensed dog.
- **License fees support animal control.** The annual fee you pay to license your dog helps keep shelters running and supports the work of the Dog Law Enforcement Office, which is responsible for ensuring the welfare of dogs, regulating dangerous dogs and overseeing annual licensing and rabies vaccinations
