

ORDINANCE NO. 88-2

An Ordinance Amending Towamensing Township Ordinance No. 88-2,
entitled "Towamensing Township Subdivision and Land Development
Ordinance."

BE IT ORDAINED AND ENACTED by the Township Supervisors of the
Township of Towamensing in Board Assembled that Section 502.03 (d) of
the above - named Ordinance shall be amended as follows:

That sentence which provides that, " At least one test shall be
performed on each lot within the subdivision," shall be replaced by
the following:

At least one test shall be performed for every five acres of land
or at least 20% of the lots in a subdivision shall be tested.
Whichever standard the Township Sewage Enforcement Officer deems
appropriate, or both, shall be used. Further, more tests may be
required if the Township Sewage Enforcement Officer deems it advisable.

Enacted and ordained this 15th day of December, 1988.
